Acceptance of Quotation and Terms and Conditions

- Quotations are valid for a period of 7 days.
- The placement of an order for design and/or any other services offered by JR Development, constitutes acceptance of the estimate or quotation and agreement to comply fully with all the Terms and Conditions and forms a Contract for Business between the client and JR Development.

Design Fees & Payment

- Fees for design services to be provided by JR Development, will be set out in the written estimate or quotation that is provided to the client.
- At the time of the client's acceptance of this estimate or quotation, indicating acceptance of the Terms & Conditions, a non-refundable deposit of 50% of the quoted fee will become immediately due.
- Work on the project will not commence until JR Development has received the 50% deposit.

- Publication and/or release of work done by JR Development on behalf of the client, may not take place before funds have cleared.
- An account shall be considered default if it remains unpaid for 3 days from the date of invoice, or following a returned cheque. JR Development shall be considered entitled to remove JR Development's and/or the client's material from any and all computer systems, until the amount due has been fully paid. This includes any and all unpaid monies due for services, including, but not limited to, hosting, domain registration, search engine submission, design and maintenance, sub-contractors, printers, photographers, development and libraries.
- Removal of such materials does not relieve the client of its obligation to pay the due amount. Clients whose accounts become default agree to pay JR Development reasonable legal expenses and third party collection agency fees in the enforcement of these Terms and Conditions.
- JR Development retain the rights to remove all development code from live website due to non-payment. JR Development takes no responsibility for data loss or income towards removing development code. This includes third party and any related parties. Reinstatement fees of 30% of total invoice cost will apply to reinstate code and settlement of original outstanding amount.

Copyrights, Ownership and Trademarks

- By supplying text, images and other data to JR Development for inclusion in the client's brochure / website or other medium, the client declares that it holds the appropriate copyright and/or trademark permissions. The ownership of such materials will remain with the client, or rightful copyright or trademark owner.
- By supplying images, text, or any other data to JR Development, the client grants JR Development permission to use this material freely in the pursuit of the design and to utilise the designs in JR Development's portfolio unless agreed otherwise.
- Should JR Development, or the client supply an image, text, audio clip or any other file for use in a website, multimedia presentation, print item, exhibition, advertisement or any other medium believing it to be copyright and royalty free, which subsequently emerges to have such copyright or royalty usage limitations, the client will agree to allow JR Development to remove and/or replace the file.
- The client agrees to fully indemnify and hold JR Development free from harm in any and all claims resulting from the client in not having obtained all the required copyright, and/or any other necessary permissions.
- JR Development may use any Artwork/design for its own promotion and portfolio use

- Copyright of all graphic design work is retained by JR Development including copy, concepts, ideas, proofs and illustrations (unless specifically released in writing) until after all invoices have been settled.
- If multiple design concepts are submitted, only one concept is deemed to be given by JR Development as fulfilling the contract. All other artwork designs remain the property of JR Development, unless agreed in writing.

Alterations, Revisions and Supply of Content

- The client agrees that changes required over and above the estimated work or required to be carried out after acceptance of the draft design will be liable to a separate charge.
- The client also agrees that JR Development holds no responsibility for any amendments made by any third party, before or after a design is published.
- Unless otherwise negotiated or JR Development's copywriting services are used, the client must supply text for their project in text file format at the start of the project as well as graphics (logos, images, etc.) to be used. Text should be as close as reasonably possible to final format, with accuracy of content, spelling and grammar checked and little or no formatting (includes text from previous websites). JR Development assumes all written content adheres to copyright laws.
- Images are also expected to be supplied before work begins, unless by prior negotiation or if using JR Development's photography or stock image services. Images should be supplied in the highest resolution electronic format possible, i.e. logos/images in original Illustrator / Photoshop format, or hi-res JPEG files (300 dpi). JR Development assumes that all correct permissions have been sought and/or royalties paid for images used.
- Unless otherwise quoted or negotiated, projects include two rounds of minor changes or author's revisions of the chosen project only. Following two revisions per project, any additional revisions will include an hourly fee to be charged. We will advise you and seek your agreement before proceeding with any work that will incur additional charges.

Data Formats

- Text is to be supplied to JR Development in electronic format as standard text (.txt), MS Word (.doc) on CD-ROM, or via e-mail.
- Images which are supplied in an electronic format, are to be provided in a format as prescribed by JR Development via CD-ROM, or electronic data format. Images must be of a quality suitable for use without any subsequent image processing, and JR Development will not be held responsible for any image quality which the client later deems to be unacceptable. JR Development cannot be held responsible for the quality of any images which the client wishes to be scanned from printed materials.
- Additional expenses may be incurred for any necessary action, including, but not limited to, photography and art direction, photography searches, media conversion, digital image processing, or data entry services.

Design Project Duration

- Any indication given by JR Development of a design project's duration is to be considered by the client to be an estimation. JR Development cannot be held responsible for any project over-runs, whatever the cause. Estimated project duration should be deemed to be from the date that cleared funds of the deposit are received by JR Development.
